Board of Transportation Meeting

February 5, 2015

Call to Order

Chairman Curran called the meeting of the Board of Transportation to order at 8:31 a.m. Thursday, February 5, 2015 in Raleigh, North Carolina with the following members present:

Overholt, Blount, Tulloss, Sheehan, Crawford, Grannis, Burns, Alexander, Perkins, Palermo, Wetmore, Brown, and Kernea.

Board Members Fearing, Lennon, McQueary, and Collett were absent.

Invocation

The invocation was offered by Board Member Burns.

Ethics Statement

Chairman Curran read the Ethics Statement advising any Board Member that may have a conflict of interest or appearance of conflict to abstain from participation in that particular item and to file the proper paper work with the Secretary to the Board.

Approval – Minutes of the January 8, 2015 Board Meeting

The minutes of the January 8, 2015 Board of Transportation meeting were unanimously approved upon a motion by Board Member Brown, seconded by Board Member Overholt.

Secretary's Remarks

Secretary Tata welcomed everyone to Raleigh and noted that he hoped everyone had a chance to watch the State of the State address. During Governor McCrory's remarks, he highlighted the progress that the entire Department has made. The Secretary usually recognizes employees but today, he thanked the Board members for all their hard work in representing their division and for the leadership each member provides for the entire state and Department.

The milestones the Governor talked about, including customer service improvements at the Division of Motor Vehicles, passage and implementation of the Strategic Mobility Formula, and making the 25-Year Vision a reality, would not have been possible without the hard work of the staff and the ongoing support of the Board. The Department will continue working to make the most of every taxpayer dollar and to identify new ways to generate additional revenue for transportation while working diligently through every possible avenue to reach this goal.

The Secretary announced the Department has secured an additional $4.1 million from the U.S. Army Corps of Engineers for dredging of the Morehead City Harbor Channel. As the Secretary shared last month, due to rapid shoaling, the harbor is currently limited to a depth of about 34 feet instead of the authorized 45 feet, which makes it extremely difficult for customers to gain access to the Port.

Secretary Tata shared good news regarding the Department's efforts to be as energy and cost-effective as possible. Last week, Duke Energy presented the Department with a check for more than $337,000 in rebates that are a direct result of the Department's Guaranteed Energy Savings Performance Contract with Trane USA. He recognized Priscilla Williams and Brad Ellington with the Facilities Management Division for their work on this effort. Under this contract, the Department is guaranteed to save nearly $9 million over the next 15 years. The rebates received from Duke Energy are in addition to these savings.

The Secretary recognized Chief Engineer Mike Holder and his team who have been involved in winter weather response efforts, particularly in the western part of the state. He appreciates everyone's diligent efforts to help keep the roadways safe.

Secretary Tata shared good news that Beau Memory has been named the new Executive Director of the Turnpike Authority. As you may remember, Beau worked with the Department a few years ago. Beau will assume his new position on Monday.

Secretary Tata recognized Mary Jernigan. Mary is the new Government Affairs and Policy Director. She previously worked for House Speaker Thom Tillis as a policy advisor on transportation, justice, and public safety. He welcomed both Beau and Mary to the Department.

The Secretary travelled to Washington, DC three weeks ago and participated in a panel discussion with several of his counterparts from other states at the Transportation Research Board Annual Meeting. Their discussion focused on "Funding Transportation Investments in an Uncertain Federal Fiscal Environment." He also briefed the Economic Development and Commerce Committee of the National Governors Association on the progress with the Strategic Transportation Investments Law, the Governor's 25-Year Vision, and the Draft State Transportation Improvement Program. The conversation was productive and will hopefully help foster continued collaboration to address current challenges in infrastructure investment.

Secretary Tata announced that on March 5, the Department will be celebrating its 100th anniversary. It's incredible to look back on the remarkable progress that was made in transportation and the state over the past century. The Department will be holding a special event next month commemorating our centennial.

Legislative Update

Bobby Lewis, Chief of Staff, provided a Legislative Update.

Revenue Impact

Chief Financial Officer David Tyeryar and Chief Engineer Mike Holder provided a report on the Revenue Impact.

DMV Update

Deputy Commissioner Randy Dishong provided a DMV Update.

Draft STIP – Public Comment Period Update

Susan Pullium, Strategic Planning Director, provided an update on the Draft STIP – Public Comment Period.

Approval of Projects

A motion was made by Board Member Palermo, seconded by Board Member Perkins, to approve all the projects, excluding items C, D, E, H and L, as they are delegated authority items and require no Board action.

Board Member Sheehan abstained from voting on certain projects.

Delegated Authority Items

Approval – Award of Highway Construction Contracts in the January 20, 2015 Letting

Corrections:
Division 5 – Durham County, The Durham County Commissioners request renaming Strategic Drive to Global Montessori Lane.

Division 5 – Wake County, Petition 50667 was listed as Ethan's Ridge Subdivision. It should be King's Ridge Subdivision. It also added Twin Lakes Drive for 0.09 miles. The correct road name added should be Amber Dawn Lane.

Division 8 – Hoke County, SR 1785-Lockwood Drive should be Lochwood Drive.

Division 13 – Burke County, Petition 50225, Bentley Drive was added for 0.09 miles. The correct mileage should be 0.05 miles.

Approval – Advance Acquisition of Highway Right of Way

Upon recommendation of the Manager of the Right of Way Unit, and on a motion by Board Member Palermo, seconded by Board Member Perkins, the Board authorized the acquisition of the following properties through negotiation or condemnation for purposes of highway construction in order to prevent undue hardship on property owners or to protect the right of way corridor from development prior to regular project approval. The Board finds such acquisitions to be necessary,

and hereby authorizes the Right of Way Branch to acquire said properties either by negotiation or by condemnation through the Office of the Attorney General.

Approval – Incident Management Assistance Patrol Program Sponsorship

A motion was made by Board Member Palermo, seconded by Board Member Perkins, to approve the following:

The Department competitively solicited and received a compliant Technical Proposal and Revenue Proposal to provide for a sponsorship program for the Incident Management Assistance Patrol Program.

Travelers Marketing submitted a Revenue Proposal of $2,000,000.00 payable to the Department in equal increments over a four-year period. This sponsorship revenue will partially offset the cost of maintaining the Incident Management Assistance Patrol operations.

After careful evaluation, Staff recommends approval of this Revenue Proposal by the Board of Transportation under the authority granted to the Board of Transportation through NCGS 143B-350(f)(12a).
