APPENDIX 1

Internal and External Grievance Policies and Forms

This appendix includes:

- **ADA public grievance procedure**
- **the internal grievance policy**
- **reasonable accommodations policy**
- **reasonable accommodations request forms**

ADA Public Grievance Procedure

The North Carolina Department of Transportation has adopted a public grievance procedure for prompt and equitable resolution of complaints alleging an action prohibited by federal regulations contained in Title II of the Americans with Disabilities Act of 1990 (ADA).

Issues that are grievable include but are not limited to: denial of a requested accommodation, inadequacy of an accommodation, inaccessibility of a program or activity due to disability, or discrimination based on disability.

All such complaints should be addressed to the ADA Program, NCDOT Office of Equal Opportunity and Workforce Services, 1511 Mail Service Center, Raleigh, NC 27699-1511, Tel: (919) 508-1844. The ADA Program coordinates the Department's ADA compliance efforts.

The following steps explain the procedure:

1. A complaint shall be filed in writing and shall contain the complainant's name, address, phone number, and nature of the complaint, previous denials of requested accommodation, and alleged violation (if any) of the regulations.
2. In the event the complainant is unable to prepare the complaint in writing, he/she may contact the ADA Coordinator by phone to arrange an alternate method.
3. A complaint shall be filed within thirty (30) days after the complainant becomes aware of the alleged violation or denial of accommodation. Complaints received later than thirty (30) days after the alleged violation or denial of accommodation may be dismissed as untimely.
4. An investigation, as may be appropriate, will follow the filing of a complaint. The Department may choose to investigate or refer the complaint to the FHWA (Federal Highway Administration) or other federal oversight agency(ies) for investigation as required. The Department's investigation shall be conducted by the Department's ADA Coordinator and/or designated staff. The investigation shall include contact with the complainant, NCDOT staff, and others as necessary.
5. A written report of findings as to the validity of the complaint and a proposed resolution, if any, shall be issued by the Department's ADA Coordinator. A copy of the written report forwarded to the complainant not later than sixty (60) days after receipt of the complaint. The findings report shall include:

- A) a description of the complaint
 - B) a finding of facts
 - C) a description of how the complaint will or will not be resolved
 - D) when the complaint will be resolved if not denied
 - E) responsible staff name and contact information if not denied
 - F) appeal rights of the complainant
6. The complainant or the affected unit of the Department can request reconsideration of the resolution if he/she is dissatisfied with reported findings. Requests for reconsideration must be made within thirty (30) days to the Secretary of the North Carolina Department of Transportation. Upon timely receipt of a request for reconsideration, the Secretary has an additional thirty (30) days to respond. The Secretary's decision is the final agency decision.
 7. A complainant is not required to exhaust the Department's grievance procedure before filing a complaint with the North Carolina office of the FHWA, the US FHWA, the US Department of Justice or US Department of Transportation.
 8. These procedures are designed to establish operating guidelines that incorporate appropriate due process standards and ensure agency compliance with Section 504 of the Rehabilitation Act of 1973 and Title II of the ADA.
 9. Retaliation against a complainant under this grievance procedure or individual assisting a complainant is prohibited.
 10. The Department's ADA Coordinator shall maintain records of all complaints for a period of five (5) years.

Internal Grievance Policy

NCDOT Employee Grievance Procedures

OBJECTIVE AND SCOPE

In establishing the North Carolina Department of Transportation Employee Grievance Procedures, hereinafter referred to as NCDOT Procedures, the North Carolina Department of Transportation, Human Resources Office, seeks to establish the following objectives:

- Ensure employees have access to internal grievance procedures to address grievable issues timely, fairly and without fear of reprisal; and
- Resolve workplace issues efficiently and effectively.

The NCDOT Procedures are not independent of the Office of State Human Resources Employee Grievance Policy, hereinafter referred to as OSHR Policy, and it is not intended to serve as a substitution for the OSHR Policy. **It is advised to cross reference, review and comply with both the OSHR Policy and the NCDOT Procedures.** The OSHR Policy and the NCDOT Procedures are located on the NCDOT portal and may be accessed by typing “employee grievance” in the search field.

Any supervisor or staff member issuing threats of reprisal or intimidation because an employee exercised his right to file a grievance shall be subject to disciplinary action for unacceptable personal conduct.

DEFINITIONS, GRIEVABLE ISSUES AND WHO MAY FILE A GRIEVANCE

Advisory Note: Refer to OSHR Policy, Section 7, Definitions, Grievable Issues and Who May Grieve, pages 26-30.

GRIEVANCE PROCESS FOR ALL GRIEVABLE ISSUES

In computing prescribed time periods for requesting an informal discussion, filing an EEO informal inquiry and a formal internal grievance, the day of the action or event that is the basis for the grievance is “day zero” of the filing period. The following calendar day is “day 1” and the last day of the prescribed time period is included. If the last day falls on a Saturday, Sunday or a legal holiday observed by the State, the deadline for filing is extended until the end of the next business day.

Advisory Note: Refer to the OSHR Policy, Section 7, Grievance Process for All Grievable Issues, page 31.

HOW TO FILE A FORMAL INTERNAL GRIEVANCE

A formal internal grievance and any subsequent documents regarding this process, hereinafter in this section referred to as documents, must be filed in writing by the applicable deadline using one of the following methods of delivery:

4. **Mail** –The document may be mailed to the mailing address or hand delivered to the physical address below:

Mailing Address:

NCDOT HR Services
1519 MSC
Raleigh NC 27699-1519

Physical Address:

NCDOT HR Services
313 Chapanoke Rd., Ste. 201
Raleigh, NC 27603

5. **E-mail** –The document may be e-mailed to the e-mail address below:

E-mail Address:

grievances@ncdot.gov

6. **Fax** – The document may be faxed to **919-662-4324**

FORMAL INTERNAL GRIEVANCE PROCESS - STEP 1 MEDIATION

1. Upon receipt of grievance, and after grievance is determined to be grievable, the grievant will be contacted within **3 business days** of the filing of the grievance to acknowledge receipt of the grievance.
2. The director of the division or unit from which the grievance arises will be notified within **3 business days** of the filing of the grievance to request that he or she designate a management representative to serve as the respondent for the mediation. *The person selected to serve as the respondent must have the authority to negotiate an agreement on behalf of the NCDOT.*
3. A request to assign mediators to facilitate the Step 1 Mediation will be submitted to OSHR within **3 business days** of the filing of the grievance. OSHR shall assign mediators to facilitate the mediation within **3 business days** of the date the mediator request was submitted. Mediators will provide 2 or 3 dates of availability to schedule the mediation.
4. The mediators, the grievant and the respondent will be contacted to confirm the date, time and location of the facility, including special instructions, if any, regarding the facility as well as the name and number of a contact at the facility.
5. Both the grievant and respondent will be provided documents and any other material(s) that may be helpful in preparing for the mediation. The respondent will also receive a Step 2 Filing form, which will be provided to the grievant in the event an agreement is not reached.
6. The respondent will be provided the name and contact information of an attorney assigned to NCDOT or DMV, depending upon the division or unit the grievance arises, in the event any legal questions arise prior to, and/or during, mediation.
7. The respondent will be advised that the ER Manager or the Mediation/Hearings Coordinator (MHC) will be available by telephone the day of the scheduled mediation should any HR related questions arise.

If for any reason the grievant is unable to attend the mediation as scheduled, he or she must contact the MHC as soon as possible prior to the mediation. An unexcused failure to attend mediation as scheduled means that the grievant forfeits the right to proceed with the internal grievance process.

Post Mediation

When a mediation agreement is reached:

1. Prior to the agreement being signed by any party, the respondent **must** forward to the Mediation/Hearing Coordinator for review to ensure:
 - a) The terms of the agreement do not contain any provision(s) contrary to NC Human Resources Commission policies, administrative rules and applicable State and federal

- laws; and
- b) The terms of the agreement do not contain any provision(s) that exceed(s) the scope of the parties' authority; and
 - c) The terms of the agreement are clearly written and clarified in order to effectuate the agreement.
2. If the agreement is in order, the respondent will be advised that the agreement may be signed by all parties;
 3. If the agreement requires clarification or revisions, the respondent will be advised accordingly. After the revisions are made, the respondent will be advised that the agreement may be signed by all parties.
 4. The respondent must forward a copy of the Notice of Impasse, the signed Step 2 filing form and any other documents related to the mediation to the MHC upon his or her return to the office.

When an agreement is not reached (impasse):

1. The grievant and respondent will sign a Notice of Impasse stating that the mediation did not result in an agreement.
2. The respondent will provide the grievant with the Step 2 filing form, which outlines the next steps in the grievance process.
3. The grievant must complete sections 1 and 2 of the Step 2 filing form, acknowledging receipt of the Step 2 appeal rights.
4. A copy of the signed Notice of Impasse is provided to the grievant, the respondent and the OSHR Mediation Director. The grievant will receive a copy of the signed Step 2 filing form.
5. The respondent must forward a copy of the Notice of Impasse, the signed Step 2 filing form and any other documents related to the mediation to the MHC upon his or her return to the office.

If the grievant decides to appeal to Step 2 of the grievance process, his or her Step 2 filing form must be received by NCDOT HR Services, MHC, within 5 calendar days following an impasse in mediation. The MHC shall notify the Employee Relations Manager if the grievant files or does not file a Step 2 filing form. If the Step 2 filing form is not received within the required timeframe, it will not be accepted, and the grievant forfeits the right to proceed with the internal grievance process.

Advisory Note: Refer to the OSHR Policy, Section 7, Formal Internal Grievance, Mediation Step 1, pages 34-38.

FORMAL INTERNAL GRIEVANCE PROCESS - STEP 2 HEARING

The Step 2- Hearing affords the grievant the opportunity to present the grievance orally to a Hearing Panel.

Hearing Panel

- Consists of 3 members (1 chairperson and 2 members) and 2 alternates;
- One member will be the same basic classification as the aggrieved;
- The grievant may challenge up to 2 members of the Hearing Panel if the grievant believes they cannot render an unbiased recommendation due to a real or perceived conflict of interest;

- In order to challenge a committee member's ability to render an impartial recommendation, prior to the hearing, the grievant must submit a written request to the MHC explaining the reason for the challenge;
- Challenged members will be replaced with designated alternate members;
- Alternate committee members may serve in the event a committee member cannot attend the hearing due to occurrences that are unavoidable or beyond his or her control

Hearing Attendees

- Grievant who initiated grievance
- Management Representative
- Hearing Panel Chairperson and Members
- Approved Witnesses
- Mediation/Hearings Coordinator

Witnesses

- Both grievant and management representative may call up to 5 witnesses on his or her behalf, including themselves;
- Witnesses shall be limited to only those individuals who have direct and relevant knowledge of the event or occurrence that is being grieved.
- Additional witnesses may be approved upon showing of relevance and reasonable cause; however, a written request must be submitted to the MHC for review and approval or disapproval. The written request must include the names and contact information for each additional witness along with a justification as to why the additional witness is needed.
- It is **mandatory** that all witnesses who are employed by the NCDOT attend the hearing. Witnesses not employed by the department may be *requested* to attend the hearing; however, the NCDOT cannot *require* his or her attendance.

Exhibits

- All exhibits provided by the grievant and management's representative must be relevant to the event or action that is the basis of the grievance.
- The grievant and management's representative must provide the MHC with the exhibits he or she plans to present at the hearing, along with an explanation as to how each one will be used to support the case.
- This information must be submitted to the MHC, as requested, prior to the date of the scheduled hearing.
- Upon receipt each party's exhibits, the MHC will schedule a meeting with the Chairperson to review and discuss each exhibit to determine admissibility.
- The MHC will notify both parties of the ruling(s) made by the chairperson prior to the date of the scheduled hearing.

Chairperson Responsibilities

The Hearing Panel Chairperson shall preside over the hearing and allow the parties to present information relevant to the nature of the grievance, facts upon which the grievance is based and the remedies sought. The chairperson shall:

- Call the hearing to order;
- Explain the hearing proceedings;
- Maintain order and decorum;
- Rule on all motions;
- Determine admissibility of evidence and prescribe the order in which it shall be presented;
- Direct the removal of any persons disrupting the orderly conduct of the hearing;
- Request the presentation of facts pertinent to the hearing by any employee;
- Take any other action necessary to ensure a fair and impartial hearing;
- Ensure all parties are allotted adequate time to present evidence and question witnesses; and
- Draft the committee recommendation for the final agency decision letter (FAD).

The MHC Responsibilities

- Verify all mandatory witnesses for the grievant and management's representative are present prior to the opening of the hearing;
- Monitor the hearing to ensure that all applicable policies and procedures are followed; and
- Be available to assist with the interpretation and explanation of policies and procedures as they relate to a case.

Burden of Proof

- **Management** - *Adverse personnel actions* (dismissal, demotion, disciplinary suspension without pay, and non-disciplinary separation due to unavailability);
- **Grievant** - *Discrimination and retaliation*;
- Burden of proof with other actions is determined by the applicable statute, regulation or other provisions.

Recording of Hearing

- The Hearing will be recorded by the Mediation/Hearings Coordinator only;
- The grievant may request a copy of the recording and must provide all necessary digital media required to make copies.

Hearing Panel Guidelines

The Hearing Panel hearing guidelines provide the grievant and management's representative a fair opportunity to present evidence on the issues to be heard and to question witnesses. The following information regarding the hearing is below:

- The Rules of Evidence shall not apply;
- Witnesses shall not be sworn;
- The hearing shall be recorded only by the MHC for the purpose to review testimony and if necessary, to assist the Secretary or designee in making a final decision;
- The grievant may obtain a copy of the recording by providing the MHC with the necessary number of digital media required to copy the recording;
- Management's representative has the burden of proof in demotion, dismissal, suspension without pay and non-disciplinary separation due to unavailability actions;
- In all other cases, the burden of proof rests with the grievant;
- The party with the burden of proof shall present his or her case first;
- Both grievant and management representative's case should begin with his or her own testimony if listed as a witness for themselves;
- After the party presenting its case has testified, or if the party presenting its case is not listed as a witness on its behalf, examination of each witness begins;
- The opposing party may cross examine each witness following his or her testimony;
- The Hearing Panel members may ask questions of each witness following the cross-examination;
- The party with the burden of proof will have the option of making a closing statement, first or last;
- The opposing party will make a closing statement; and
- Documents generated during the course of the hearing and any communications shared in connection with the hearing are confidential to the extent provided by law.

Hearing Panel Proposed Recommendation

- Chairperson drafts and submits the recommendation of the Hearing Panel to the Mediation/Hearings Coordinator following the hearing;
- Recommendation must be in compliance with all rules, regulations and policies of the NC Human Resources Commission and/or applicable State and/or federal laws;
- The final agency decision (FAD) letter will be reviewed and by OSHR, and the OSHR Director or designee may approve the Hearing Panel's recommendation as written or may provide recommendations for modification or reversal;
- OSHR will return the FAD and recommendations for modification or reversal (if applicable) to NCDOT within **10 calendars days** of receipt of the recommendation.

Final Agency Decision Letter (FAD)

The proposed recommendation of the Hearing Panel shall include an explanation and justification to support the recommendation. The recommendation must be submitted to the MHC. Upon receipt of the recommendation, the MHC shall discuss the recommendation with the Employee Relations Manager and submit the proposed recommendation to the Secretary or designee for review and comment. Following review by the Secretary or designee, the MHC shall forward the recommendation to Director of the Office of State Human Resources (or designee for review, comment and approval, in accordance with OSHR's established guidelines).

Advisory Note: Refer to the OSHR Policy, Section 7, Formal Internal Grievance, Step 2 – Hearing, pages 38-41.

APPEAL TO THE OFFICE OF ADMINISTRATIVE HEARINGS – STEP 3

If the grievant has completed the internal grievance process and is not satisfied with the Final Agency Decision, the grievant may file a petition for a contested case hearing pursuant to G.S. 150B-23 with the Office of Administrative Hearings (OAH). A fee must be paid to OAH when the petition is filed, unless it is waived by OAH. Any appeal of this action must be filed **within thirty (30) calendar days of receipt of the final agency decision letter.**

Reasonable Accommodation Policy

Contents:

- [Purpose](#)
- [Policy](#)
- [Definitions](#)
- [Coverage](#)
- [Reasonable Accommodations](#)
- [Process to Request Reasonable Accommodations](#)
- [Appeals](#)

Purpose

The purpose of this policy is to assist agency and university employers, current employees, and applicants for employment in requesting and processing reasonable accommodation requests. The overall intent of this policy is to ensure that the State of North Carolina fully complies with the Americans with Disabilities Act and maintains equal opportunity in employment for all qualified persons with disabilities. This policy also prohibits retaliation against employees.

Policy

It is the policy of the State of North Carolina to reasonably accommodate qualified individuals with disabilities unless the accommodation would impose an undue hardship. While many individuals with disabilities can work without accommodation, other qualified applicants and employees face barriers to employment without the accommodation process.

Definitions

Disability – a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or being regarded as having such an impairment.
Qualified Individuals with Disabilities - a qualified employee or applicant with a disability is an individual who, with or without reasonable accommodation, can perform the essential functions of the job in question.
Reasonable Accommodation – a modification or adjustment to a job, an employment practice, or the work environment that makes it possible for a qualified individual with a disability to enjoy equal employment opportunities.
Undue Hardship - an action requiring significant difficulty or expense when considered in light of factors such as an employer's size, financial resources, and the nature and structure of its operation.

<p>Essential Functions – the fundamental duties of the position or the primary reasons the position exists.</p>
--

Coverage

This policy applies to all qualified applicants and employees with disabilities. If requested, reasonable accommodations must be provided to qualified employees regardless of whether they work part-time or full-time, or are considered “probationary” or “non-career status”, as well as temporary employees.

Reasonable Accommodation

An employer is required to make a reasonable accommodation to the known disability of a qualified applicant or employee if requested and if it would not impose an "undue hardship" on the operation of the employer's business.

Reasonable accommodation may include, but is not limited to:

- Making existing facilities used by employees readily accessible to and usable by persons with disabilities;
- Job restructuring, modifying work schedules, reassignment to a vacant position;
- or
- Acquiring or modifying equipment or devices, adjusting or modifying examinations, training materials, or policies, and providing qualified readers or interpreters.

There are several modifications or adjustments that are not considered forms of reasonable accommodation. An employer does not have to eliminate an essential function from the position, nor is an employer required to lower quality or production standards to make an accommodation, as long as those standards are applied uniformly to employees with or without a disability. An employer does not have to create a new position to accommodate an employee.

An employer is not obligated to provide personal use items needed in accomplishing daily activities both on and off the job (i.e. eyeglasses, hearing aids, prosthetic limbs, or a wheelchair). Furthermore, an employer is not required to provide personal use amenities, such as a refrigerator, if those items are not provided to employees without disabilities.

Process to Request Reasonable Accommodation

EMPLOYEES:

1. The employee shall inform their supervisor, EEO Officer, or HR Director or designee of the need for an accommodation. Supervisors who have been notified by an employee of an accommodation need should contact the designated EEO or HR official for assistance.
2. The EEO Officer or HR Director/Designee may request documentation of the individuals' functional limitations to support the request. Any medical documentation must be collected and maintained in accordance with appropriate confidentiality procedures.
3. When a qualified individual with a disability has requested an accommodation, the employer shall, in consultation with the employee:
 - a. Discuss the purpose and the essential functions of the particular job involved.
 - b. Determine the precise job-related limitation.
 - c. Identify the potential accommodations and assess the effectiveness each would have in allowing the employee to perform the essential functions of the job.
 - d. Select and implement the reasonable accommodation that is the most appropriate for both the employee and the employer. While an employee's preference will be given consideration, the employer is free to choose among reasonably effective accommodations and may choose the one that is less expensive or easier to provide.
4. The EEO Officer or HR Director/Designee will work with the employee to obtain technical assistance, as needed.
5. The EEO Officer or HR Director/Designee will provide a written decision to the employee within a reasonable amount of time, not to exceed 30 days from original employee request, unless a longer time is agreed upon by the employee and the employer.

APPLICANTS

1. The job applicant shall inform the supervisor, EEO Officer, or HR Director/Designee of the need for an accommodation. Hiring officials who have been notified by an applicant of a need for accommodation should contact the designated EEO or HR official for assistance. The EEO Officer or HR Director/Designee will discuss the needed accommodation and possible alternatives with the applicant.

2. The EEO Officer or HR Director/Designee will make a decision regarding the request for accommodation and, if approved, take the necessary steps to see that the accommodation is provided.
-

Appeals

Employees who are dissatisfied with the decision(s) pertaining to his/her accommodation request may file a grievance in accordance with the agency grievance procedure or, an employee or applicant, may appeal directly to the State Personnel Commission by filing a petition for a contested case hearing with the Office of Administrative Hearings no later than 30 calendar days from receipt of the decision(s).

NOTE: This policy is intended to provide steps for consistent application of the reasonable accommodation process throughout the state workforce. Prohibitions on disability discrimination are included in the existing Equal Employment Opportunity policy of the state.

Reasonable Accommodations Request Forms (begin next page)

**North Carolina Department of Transportation
Office of Equal Opportunity and Workforce Services
EEO/ADA Section**

**Reasonable Accommodation Based On Disability
Request Form**

The North Carolina Department of Transportation Reasonable Accommodation Based On Disability Form shall be completed by employees/applicants for employment who believe they have a disability and wish to request a reasonable accommodation pursuant to the Americans with Disabilities Act (ADA). The purpose of this form is to assist the Department in determining whether, or to what extent, a reasonable accommodation is appropriate for a qualified employee or applicant for employment.

The Reasonable Accommodation Based on Disability Request form will be filed separately from the employee's personnel file and maintained confidentially.

SECTION I – Employee/Applicant: To be completed by employee/applicant requesting a reasonable accommodation.

Name: _____

Address: _____

Telephone Number: _____

Date of Request: _____

Department/Branch: _____

Supervisor's name and telephone number: _____

1. Identify your physical and/or mental impairment (s) for which you are requesting an accommodation.

2. Explain how the impairment (s) listed in question #1 affects your ability to perform the essential functions of your job?

3. Describe the specific accommodation (s) you are requesting.

I, _____, give the Department of Transportation permission to explore coverage and reasonable accommodation under the Americans with Disabilities Act of 1990 and all applicable state and federal laws. I understand that all information obtained during this process will be maintained and used in accordance with the ADA, including its confidentiality requirements.

Signature of Employee

Date

The Reasonable Accommodation Request form must be signed and sent to:

North Carolina Department of Transportation
Office of Equal Opportunity and Workforce Services
1511 Mail Service Center
Raleigh, North Carolina 27699-1511

Attention: ADA Coordinator

SECTION II – To be completed by EEO/ADA Division:

1. Has the employee/applicant completed Section I of the form? Yes___ No___

If no, request that the employee/applicant complete Section I of the form.

2. If applicable, has the employee/applicant provided medical documentation related to the request for a reasonable accommodation? Yes___No___

If yes, identify the medical documentation: _____

Reasonable Accommodation Request is:

Approved _____

Denied _____

Modified _____

If the original accommodation request was modified, what was the modified accommodation?

Date written notification was submitted to employee/applicant: _____

Name of EEO/ADA staff member assigned to this request: _____

**North Carolina Department of Transportation
REASONABLE ACCOMMODATION
Health Care Provider Report**

NCDOT is committed to providing reasonable accommodation to allow persons with a disability to participate in employment and services. The information requested on this form helps us confirm eligibility and pursue options to provide reasonable accommodation.

AUTHORIZATION AND CONSENT FOR DISCLOSURE OF HEALTH INFORMATION

I, _____ the undersigned, do hereby consent and authorize any health care providers who have treated me and hospitals in which I have been a patient, to disclose to the Department of Transportation Office of Equal Opportunity & Workforce Services information from my health care records relating to my diagnosis, prognosis or treatment. I understand the specific type of information to be disclosed includes but is not limited to physician and consultation reports, clinic records, lab, x-ray, and other test results, history reports, discharge summaries, psychiatric and/or psychologist evaluations.

The purpose of this disclosure is to determine my functional abilities and limitations in relation to job functions.

This Authorization may be revoked by the undersigned upon written notification at any time to the Department of Transportation Office of Equal Opportunity & Workforce Services. A photocopy of this Authorization shall be considered as valid and acceptable as the original.

Healthcare Provider, Address, and Telephone Number: _____

Signature of Employee

Date

NCDOT Reasonable Accommodation Health Care Provider Report

Health Care Provider: The employee referenced above has requested reasonable accommodation under the Americans with Disabilities Act based on the referenced physical and/or mental impairment(s). The employee has voluntarily agreed to allow NCDOT to request this information for the purpose exploring coverage and reasonable accommodation under the ADA (see the attached **AUTHORIZATION** signed by the employee). The NC Department of Transportation is not responsible for any costs associated with providing this information. This information will be maintained and used in accordance with the confidentiality requirements of the ADA. Please answer the questions on this form based on your review of the attached position description and your medical knowledge, experience, and examination of the employee, and return this information to the employer contact or your patient.

Please answer the following question based on what limitations the employee has when his or her condition is in an active state and what limitations the employee would have if no mitigating measures were used. Mitigating measures include things such as medication, medical supplies, equipment, hearing aids, mobility devices, the use of assistive technology, reasonable accommodations or auxiliary aids or services, prosthetics, learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, and physical therapy. Mitigating measures do not include ordinary eyeglasses or contact lenses.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

1. Does the employee have a physical or mental impairment? Yes No
If yes, what is the impairment?

Is the impairment permanent or temporary? _____

If temporary, what is the duration? _____

2. Does the impairment substantially limit a major life activity as compared to most people in the general population? *Note: Does not need to significantly or severely restrict to meet this standard. It may be useful in appropriate cases to consider the condition under which the individual performs the major life activity; the manner in which the individual performs the major life activity; the duration of time it takes the individual to perform the major life activity; and/or the duration of time for which the individual can perform the major life activity.* Yes
 No

3. If yes, what major life activity(s) (includes major bodily functions) is/are affected?

- | | | | |
|--|--|-----------------------------------|---------------------------------|
| <input type="checkbox"/> Bending | <input type="checkbox"/> Learning | <input type="checkbox"/> Sleeping | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Breathing | <input type="checkbox"/> Lifting | <input type="checkbox"/> Speaking | (describe) |
| <input type="checkbox"/> Caring For Self | <input type="checkbox"/> Performing Manual Tasks | <input type="checkbox"/> Standing | |
| <input type="checkbox"/> Concentrating | <input type="checkbox"/> Reaching | <input type="checkbox"/> Thinking | |
| <input type="checkbox"/> Eating | <input type="checkbox"/> Reading | <input type="checkbox"/> Walking | |
| <input type="checkbox"/> Hearing | <input type="checkbox"/> Seeing | <input type="checkbox"/> Working | |
| <input type="checkbox"/> Interacting With Others | <input type="checkbox"/> Sitting | | |

This form includes confidential medical information that is to be used for purposes of assessing coverage and reasonable accommodation under the ADA. It must be maintained in a separate medical file separate from the personnel file.

**NCDOT Reasonable Accommodation
Health Care Provider Report**

3. If yes, what major life activity(s) (includes major bodily functions) is/are affected? (Continued)

Major bodily functions (check all that apply):

- | | | | |
|---|--|--|---------------------------------|
| <input type="checkbox"/> Bladder | <input type="checkbox"/> Endocrine | <input type="checkbox"/> Neurological | <input type="checkbox"/> Other: |
| <input type="checkbox"/> Bowel | <input type="checkbox"/> Genitourinary | <input type="checkbox"/> Normal Cell Growth | (describe) |
| <input type="checkbox"/> Brain | <input type="checkbox"/> Hemic | <input type="checkbox"/> Operation of an Organ | |
| <input type="checkbox"/> Cardiovascular | <input type="checkbox"/> Immune | <input type="checkbox"/> Reproductive | |
| <input type="checkbox"/> Circulatory | <input type="checkbox"/> Lymphatic | <input type="checkbox"/> Respiratory | |
| <input type="checkbox"/> Digestive | <input type="checkbox"/> Musculoskeletal | <input type="checkbox"/> Special Sense Organs & Skin | |

4. For each major life activity that is limited by the impairment, please describe how the employee is restricted as to the condition, manner or duration under which that activity can be performed, as compared to the way in which an average person in the general population can perform that activity?

These questions will help us determine whether the employee needs an accommodation, and what would be an effective accommodation option.

5. Have you reviewed the employee's job description? Yes No

6. What job duty(ies) is the employee having trouble performing because of the limitation(s)?

7. What limitation(s) is interfering with the employee's ability to perform the job duty(ies)? How is it interfering?

This form includes confidential medical information that is to be used for purposes of assessing coverage and reasonable accommodation under the ADA. It must be maintained in a separate medical file separate from the personnel file.

**NCDOT Reasonable Accommodation
Health Care Provider Report**

8. Please describe any reasonable accommodations that would allow the employee to be able to perform those job functions?

9. How would the reasonable accommodation improve the employee's job performance?

10. If medical leave is one of the possible accommodations described above, what is the estimated duration for the leave? _____

11. If a reduction in hours is one of the possible accommodations described above, what is the estimated duration for the reduced schedule? _____

12. Would the employee's performance of any of the job duties result in a direct safety or health threat to this employee or other people (co-workers, patients, members of the general public, etc.)? Yes No

If so, please describe what job function(s) would pose such a threat, the direct safety or health threat posed, and any reasonable accommodations that would eliminate the direct safety or health threat or reduce it to an acceptable level:

Medical Professional's Signature _____ Date _____

MPO Title VI Review Questions & Requested Items

Instructions: Answer each Yes or No question and indicate if the requested information is attached with an “X” mark. Please attach electronic documents and number each attachment to match the question. Use your tab button to move between the questions and your space bar to check the appropriate box. Please save as a PDF before returning.

1. Does the MPO have an active Title VI Nondiscrimination Program?	YES <input type="checkbox"/> NO <input type="checkbox"/>
o If yes, please attach any records or reports you consider sufficient to demonstrate that the program is being implemented.	Attached <input type="checkbox"/>
2. Does the MPO disseminate any information or documents throughout its organization and publicly, including information pertaining to the Title VI program?	YES <input type="checkbox"/> NO <input type="checkbox"/>
o If yes, please attach a list of what you distribute <i>internally</i> and <i>externally</i> .	Attached <input type="checkbox"/>
• Has the MPO translated any documents into languages other than English?	YES <input type="checkbox"/> NO <input type="checkbox"/>
o If yes, attach a list of documents you have translated and samples of translated materials.	Attached <input type="checkbox"/>
3. Identify the MPO’s Title VI Coordinator (<i>Civil Rights Officer</i>) by name and title:	
• Are Title VI duties included in the Coordinator’s primary job description?	YES <input type="checkbox"/> NO <input type="checkbox"/>
• Has the Coordinator or officer been given the authority to effectively administer your Title VI Program?	YES <input type="checkbox"/> NO <input type="checkbox"/>
o Please attach a copy of your organizational chart.	Attached <input type="checkbox"/>
4. Does the MPO have an approved Language Assistance Plan or procedures for persons with Limited English Proficiency (LEP)?	YES <input type="checkbox"/> NO <input type="checkbox"/>
• Does the MPO conduct four-factor analyses, as required by USDOT LEP guidelines?	YES <input type="checkbox"/> NO <input type="checkbox"/>
o If yes, please attach a copy of your plan or procedures and a copy of a four-factor analysis you have conducted, if one isn’t including in your Plan.	Attached <input type="checkbox"/>
5. Does the MPO ensure that decision-making and programs are sensitive to the needs of minorities and other traditionally underserved populations (<i>e.g., minorities, disabled, low-income, elderly, children, LEP</i>)?	YES <input type="checkbox"/> NO <input type="checkbox"/>
6. Does the MPO utilize appointed groups such as planning commissions or Citizens Advisory Committees?	YES <input type="checkbox"/> NO <input type="checkbox"/>
o If yes, attach a list of each of your appointed groups, including the name, race/ethnicity and gender of each current member (<i>e.g., John Doe, B/M; Jane Doe, H/F, etc.</i>), and their affiliations (<i>e.g., Hispanic Chamber of Commerce, NAACP, private organizations</i>).	Attached <input type="checkbox"/>
7. Does the MPO have internal discussions or meetings about its nondiscrimination program or obligations?	YES <input type="checkbox"/> NO <input type="checkbox"/>
• If requested onsite, could evidence be provided to verify this?	YES <input type="checkbox"/> NO <input type="checkbox"/>
8. Does the MPO ever seek guidance from external agencies like NCDOT, FHWA and FTA, regarding its obligations?	YES <input type="checkbox"/> NO <input type="checkbox"/>
9. In general, are you satisfied with the number of people (members of the general public) who show up at your public meetings?	YES <input type="checkbox"/> NO <input type="checkbox"/>

10. Does the MPO's Public Involvement Plan include information and procedures on: <ul style="list-style-type: none"> • How to reach traditionally underserved populations (<i>e.g., minorities, disabled, low-income, elderly, children, LEP</i>)? • How to ensure that members of the public understand the rights afforded to them under Title VI and other nondiscrimination authorities? 	YES <input type="checkbox"/> NO <input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/>
11. Has the Title VI Coordinator received any civil rights training in the last three years? <ul style="list-style-type: none"> • Does the MPO provide civil rights training to its staff, sub-recipients, or contractors? • Does the MPO have a civil rights training plan or schedule? 	YES <input type="checkbox"/> NO <input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/>
12. Does the MPO consider and incorporate the needs of persons with disabilities in: <ul style="list-style-type: none"> • Planning • Programming • Facilities 	YES <input type="checkbox"/> NO <input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/>
13. Does the MPO provide reasonable accommodations to disabled applicants, employees and participants of public meetings? <ul style="list-style-type: none"> • Does the MPO have a process for notifying members of the public that meeting locations and formats are accessible to persons with disabilities? 	YES <input type="checkbox"/> NO <input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/>
14. Does the MPO or Lead Planning Agency have an ADA Transition Plan?	YES <input type="checkbox"/> NO <input type="checkbox"/>
o If yes, attach a copy of your Transition Plan.	Attached <input type="checkbox"/>
15. Does the MPO collect and analyze data on participants and beneficiaries of its programs and services for the purpose of monitoring whether program funds are reaching traditionally underserved groups (<i>e.g., minorities, disabled, low-income, elderly, children, LEP</i>)?	YES <input type="checkbox"/> NO <input type="checkbox"/>
16. Does the MPO monitor the work and activities of sub-recipients and contractors for the purpose of determining if they are in compliance with their nondiscrimination obligations? <ul style="list-style-type: none"> • Does the MPO physically incorporate Title VI Assurances into all contracts and agreements? • Does the MPO maintain records and reports to validate its monitoring activities? 	YES <input type="checkbox"/> NO <input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/> YES <input type="checkbox"/> NO <input type="checkbox"/>
o If yes, attach any records, reports or contracts that demonstrate your monitoring activities (<i>e.g., meeting minutes, emails, compliance reviews</i>).	Attached <input type="checkbox"/>
17. Does the MPO contract with women and minority owned businesses?	YES <input type="checkbox"/> NO <input type="checkbox"/>
18. To your knowledge, has the MPO received any discrimination complaints against itself or any of its member jurisdictions or contractors since in the last three years?	YES <input type="checkbox"/> NO <input type="checkbox"/>
o If yes, please attach a copy of your complaints log.	Attached <input type="checkbox"/>
19. Does the MPO produce or submit reports to federal or state agencies regarding its Title VI compliance efforts?	YES <input type="checkbox"/> NO <input type="checkbox"/>

Metropolitan Planning Organizations (MPO)

Onsite Review Questions

1. You indicated that you {**HAVE / DO NOT HAVE**} an *active* Title VI Program. (HAVE) Tell me about how you implement the Program and its components. (*Listen for specific practices, procedures, and buzzwords.*) (DOES NOT) Please explain your response. How do you fulfill your nondiscrimination obligations?
2. You {**DO NOT / DO**} disseminate information throughout your organization and publicly, correct? (DO NOT) Please explain. (THEY DO) (*Point out whether their list included any Title VI docs.*) How do you disseminate information, and to whom?
3. You indicated that your Title VI Coordinator {**DOES NOT HAVE / HAS**} the authority to implement the Title VI program. (DOES NOT) Please explain why not? (HAS) Title VI duties {**WERE NOT / WERE**} included in their job description. (WERE NOT) What are their specific Title VI responsibilities? (WERE or WERE NOT) Discuss the ways you make other employees, MPO members, and the public aware of the Coordinator and *his* Title VI responsibilities. Finally, considering time spent, what % of {**NAME'S**} work week would you say is dedicated to Title VI compared to *his* other roles?
4. You indicated that you {**HAVE / DO NOT HAVE**} an approved Language Assistance (or LEP) Plan or procedures, and that you {**HAVE / HAVE NOT**} identified concentrations of LEP groups within your jurisdiction. Please discuss whether you ever come into contact with LEP persons, how often, and where; and if you never do, then why not? (If they do) What language services are provided to LEP groups, and are they free of charge?
5. Please describe how you ensure that the needs of minorities and other traditionally underserved populations are considered in program decisions (*e.g., disabled, low-income, elderly, children, LEP*).

6. Regarding appointed boards and committees, please describe your process for recruiting and staffing planning and advisory groups. (*Follow up if they don't say anything about trying to be inclusive or seeking out participation from traditionally underrepresented groups.*)

7. You indicated that you {**DO NOT / DO**} have internal discussions about your nondiscrimination responsibilities. (DO NOT) Is this correct? (THEY DO) Are they routine; how often do they occur; who participates; what exactly do you discuss? Please provide documentation at this time to confirm this.

8. You said that you {**ARE / ARE NOT**} satisfied with turnout for your meetings. Please explain why. (*Follow up on turnout of traditionally underserved participants.*)

9. Describe how you ensure that members of the public understand their rights under Title VI and other nondiscrimination authorities. Describe your process for trying to obtain inclusive public involvement.

10. You indicated that MPO staff {**HAS / HAS NOT**} had civil rights training, recently. (HAS) Do you have certificates or other records to prove this? (HAS NOT) Have you ever requested civil rights training, and if so, when?

11. Please discuss, based on a scale of 1 to 10 (10 being the most), how familiar you are with ADA/Section 504 requirements to address the needs of persons with disabilities in planning and programming.

12. Likewise, from one to ten, how familiar are you with ADA Transition Plans?

13. You indicated that you {**DO / DO NOT**} use data to determine if program funds are reaching Title VI populations. (DO) Please explain how you maintain data and evaluate it for this purpose. (DO NOT) Why not?

14. You also said that your MPO {**DOES / DOES NOT**} monitor subrecipients and contractors to ensure that nondiscrimination obligations are fulfilled. (DOES) Please explain your monitoring process. (DOES NOT) Please explain.

15. Tell me about the MPO's process for selecting contractors/consultants.

16. You said discrimination complaints {**HAVE / HAVE NOT**} been alleged or filed against the MPO or its agents since you developed procedures. Please explain what steps the MPO has taken to make sure members of the public know that they can file a complaint, and on what bases.

17. Well that completes our questions about your program. Do you have any questions for me? Also, as a result of what we have discussed today, do you have any thoughts on how NCDOT might better assist you in how to implement your Title VI program moving forward?

Organization Name: MPO
Address
City, State Zip

Lead Planning Agency: LPA

Executive Official: Name and Title
Title VI Coordinator: Name and Title

Report Prepared by: Title VI Specialist
North Carolina Department of Transportation
Office of Civil Rights
External Services Section
1511 Mail Service Center
Raleigh, NC 27699

Reporting Period: Federal Fiscal Year (FFY) 2013

On-site Review Date(s):

Compliance Reviewer(s): Name, Lead Reviewer

II. Jurisdiction and Authorities

Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) states that “No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.” As a recipient of funds from the United States Department of Transportation (US DOT), including the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA), all operations of the North Carolina Department of Transportation (NCDOT) and its sub-recipients are covered by and must comply with Title VI. Other related statutes, regulations and orders pertinent to the Title VI/Nondiscrimination Program include:

- 49 CFR 21: Nondiscrimination in Federally-Assisted Programs of the Department of Transportation
- 23 CFR 200: Title VI Program and Related Statutes-Implementation and Review Procedures
- The Civil Rights Restoration Act of 1987
- Section 504 of the Rehabilitation Act of 1973 (Disability)
- Federal-Aid Highway Act of 1968, as amended: (23 USC 140, 324)
- Age Discrimination Act of 1975 (Age)
- The 1973 Federal-Aid Highway Act (Sex)
- FTA Circular 4702.1B: Title VI Requirements and Guidelines for Federal Transit Administration (FTA) Recipients
- FTA Circular 4703.1: Environmental Justice Policy Guidance For Federal Transit Administration Recipients
- DOT Order 5610.2A: Department of Transportation Actions to Address Environmental Justice in Minority Populations and Low-Income Populations
- FHWA Order 6640.23A: FHWA Actions to Address Environmental Justice in Minority Populations and Low-Income Populations
- Executive Order 12898: Federal Actions to Address Environmental Justice in Minority Populations and Low-income Populations
- Executive Order 13166: Improving Access to Services for Persons with Limited English Proficiency
- Policy Guidance Concerning Recipient's Responsibilities to Limited English Proficient (LEP) Persons

III. Purpose and Objective

The NCDOT Office of Civil Rights (OCR) External Services Section has the responsibility to conduct Title VI compliance reviews of Metropolitan Planning Organizations (MPO) to assure compliance with Title VI program requirements, as set forth in 49 Code of Federal Regulations 21 (CFR); 23 CFR 200; and FTA Circular 4702.1B. The purpose of a compliance review is to discuss a recipient's Title VI requirements, and determine if they are being implemented effectively. In keeping with the Federal guidelines above, NCDOT determined that a compliance review of the **XXX MPO** was necessary.

The objectives of this compliance review were to determine if deficiencies exist in the MPO's implementation of its Title VI program requirements; to determine if the MPO is providing services, benefits, and activities without regard to race, color, national origin, sex, age, or disability; and to determine if the MPO evaluates the benefits and burdens of its decisions on traditionally underserved populations (e.g., low-income, children, minorities, the elderly, LEP, disabled). Thus, this review also sought to confirm whether the **MPO** is putting the items developed during its 2011 desk audit review to use. Finally, this process will provide the **MPO** with opportunities to remedy any deficiencies through appropriate corrective action, technical assistance, and training.

VII. Compliance Review Checklist

The responses in the compliance review checklist below were determined based on responses to the questionnaire, the on-site meeting, and a review of the documentation provided by the **XXXMPO**.

Compliance Review Checklist			
YES	NO	N/A	COMPLIANCE FACTORS
			Program Administration
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Has the Title VI Coordinator been given the authority to effectively administer the MPO's Title VI Program?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Are Title VI duties included in the Coordinator's <i>primary</i> job description or staff assignments?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO ensure that decision-making and programs are sensitive to the needs of minorities and other traditionally underserved populations (e.g., minorities, disabled, low-income, elderly, children, LEP)?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO ever seek guidance from external agencies like NCDOT, FHWA and FTA, regarding its Federal nondiscrimination obligations?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO have internal discussions or meetings about its nondiscrimination program or obligations?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Did the MPO demonstrate that its Title VI Nondiscrimination obligations are being fully integrated into its operations?
			Information and Reports
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO disseminate information pertaining to the Title VI program internally and publicly?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO produce or submit reports to federal or state agencies regarding its Title VI compliance efforts?
			Training
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Has the Title VI Coordinator received any civil rights training in the last <i>three</i> years?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO have a civil rights training plan or schedule?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO provide civil rights training to its staff, sub-recipients, or contractors?
			Contractors and Sub-recipients
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Are Title VI Assurances physically incorporated into all contracts and agreements?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO contract with women and minority owned businesses?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO monitor its contractors (and sub-recipients, if applicable) to determine if they are in compliance with their nondiscrimination obligations?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO maintain records and reports to validate its monitoring activities?
			Public Involvement and Outreach
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO's Public Involvement Plan include information and procedures on how to ensure that members of the public understand the rights afforded to them under Title VI and other nondiscrimination authorities?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO's Public Involvement Plan include information and procedures on how to reach traditionally underserved populations?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO have a process to ensure adequate representation of traditionally underserved populations on appointed groups such as planning commissions and Citizens Advisory Committees?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Has the MPO at least demonstrated a good faith effort to achieve inclusive public involvement?
			Data Collection
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO collect and analyze data on participants and beneficiaries of its programs and services for the purpose of monitoring whether program funds are reaching traditionally underserved groups?

			Limited English Proficiency (LEP)
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO have an <i>approved</i> Language Assistance Plan or procedures for persons with Limited English Proficiency (LEP)?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO conduct four-factor analyses, as required by USDOT LEP guidelines?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO translate documents into languages other than English?
			ADA/Section 504
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO consider and incorporate the needs of persons with disabilities in planning, programming, and facilities?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO provide reasonable accommodations to disabled applicants, employees and participants of public meetings?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO have a process for notifying members of the public that meeting locations and formats are accessible to persons with disabilities?
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Does the MPO or Lead Planning Agency have an ADA Transition Plan?

2.1 Plan of Action Outline	4
2.2 Accessibility Compliance Test Results.....	5
2.3 Accessibility Requirements	7
2.4 Accessibility Metrics.....	7

1. INTRODUCTION

NCDOT.gov is the public's gateway to the North Carolina Department of Transportation. It is the first resource most people turn to when seeking information about renewing vehicle registrations, renewing drivers' licenses, reporting a pothole, or finding out how their tax dollars are being spent on roads in their communities. In addition, it serves as a source for employee related information for NCDOT personnel. Due to its public focus, Section 508 requires the site to be accessible to people with disabilities.

This document outlines the plan of action that addresses Section 508 Accessibility deficiencies identified in a FHWA assessment of NCDOT.gov website conducted in September 2011. This plan of action was developed as part of the NCDOT Website Redesign and Restructuring (NWRR) Project. The goal of the project is to reorganize and redesign the content and structure of the entire NCDOT.gov website from a business department organization to a task-oriented structure. This effort will involve developing all new webpages for the site. Given this, accessibility compliance will be addressed in the new site only. However, the project will use the results of the 'current state' report to ensure the design and development of the new site addresses current compliance issues.

2. PLAN OF ACTION

2.1 Plan of Action Outline

START YEAR	OBJECTIVE / ACTIONS	ESTIMATED COMPLETION
2011	Generate Report of Current Accessibility State of Website The project will run the accessibility tester tool against NCDOT.gov. The results of this test will provide the team insight to accessibility issues in the current site and provide a basis for accessibility standards for the new site. (See Accessibility Compliance Test Results section below)	<i>Completed on</i> 10/03/2011
2011	NCDOT Website Redesign & Restructuring Project	07/31/2016
	Include accessibility as a requirement of the project. (See Accessibility Requirements section below)	
	Build accessibility into the new website template. This may include things such as: alternative text for images; Not using color as the only way to indicate meaning; displaying file sizes for files exceeding a certain size; etc.	
	Establish accessibility coding standards for webpages.	
	Run the accessibility tester against each release of the new site.	
	Conduct a usability test with at least one special needs user.	
	Establish an accessibility baseline for new website. This entails running accessibility tester against the final release of the site and storing the results as the baseline against which all subsequent annual tests will be compared.	
2012	Website Maintenance	Ongoing
	Develop web pages in new template.	
	Include execution of the accessibility tester as part of the test plan for new web pages.	
2015	On an annual basis: <ul style="list-style-type: none"> • run the accessibility tester against the website; • update accessibility metrics with results; and • at minimum, correct pages flagged severity level 'high. 	

2.2 Accessibility Compliance Test Results

Below are the results from the accessibility tester run against NCDOT.gov on October, 3, 2011 using the IBM Rational Policy Tester (Watchfire). These findings will be used as a base to improve accessibility in the new NCDOT.gov website. Results are sorted by Max Issue Severity.

MAX ISSUE SEVERITY	PARAGRAPH	DESCRIPTION	QUANTITY
1. High	a	A text equivalent for every non-text element shall be provided (for example, through "alt", "longdesc", or in element content).	5145
2. High	i	Frames shall be titled with text that facilitates frame identification and navigation.	1011
3. High	m	When a web page requires that an applet, plug-in or other application be present on the client system to interpret page content, the page must provide a link to a plug-in or applet that complies with § 1194.21(a) through (l).	28395
4. High	n	When electronic forms are designed to be completed online, the form shall permit people using assistive technology to access the information, field elements, and functionality required for completion and submission of the form, including all directions and cues.	6010
5. High	o	A method shall be provided that permits users to skip repetitive navigation links.	7003
6. High	p	When a timed response is required, the user shall be alerted and given sufficient time to indicate more time is required.	8152
7. Information	b	Equivalent alternatives for any multimedia presentation shall be synchronized with the presentation.	121
8. Information	c	Web pages shall be designed so that all information conveyed with color is also available without color, for example from context or markup.	87347
9. Information	d	Documents shall be organized so they are readable without requiring an associated style sheet.	5674
10. Information	e	Redundant text links shall be provided for each active region of a server-side image	2

North Carolina Department Of Transportation
 NCDOT Website Redesign and Restructuring Project (ITP.00208)
PLAN OF ACTION FOR ACCESSIBILITY COMPLIANCE – NCDOT.gov

MAX ISSUE SEVERITY	PARAGRAPH	DESCRIPTION	QUANTITY
		map.	
11. Information	f	Client-side image maps shall be provided instead of server-side image maps except where the regions cannot be defined with an available geometric shape.	2
12. Information	g	Row and column headers shall be identified for data tables.	1753
13. Information	h	Markup shall be used to associate data cells and header cells for data tables that have two or more logical levels of row or column headers.	12
14. Information	j	Pages shall be designed to avoid causing the screen to flicker with a frequency greater than 2 Hz and lower than 55 Hz.	28185
15. Information	k	A text-only page, with equivalent information or functionality, shall be provided to make a Web site comply with the provisions of this part, when compliance cannot be accomplished in any other way. The content of the text-only page shall be updated whenever the primary page changes.	6390
16. Information	l	When pages use scripting languages to display content, or to create interface elements, the information provided by the script shall be identified with functional text that can be read by assistive technology.	5558

2.3 Accessibility Requirements

Below are the accessibility requirements included in the Requirements Definition Document for the NWRR Project.

CATEGORY	REQUIREMENT DESCRIPTION
1. Accessibility	The new project shall deliver the baseline accessibility compliance metrics.
2. Accessibility	The project should recommend coding standards for accessibility.
3. Accessibility	The new website pages shall be developed in compliance with accessibility checks flagged as severity level ‘high’ in the Section 508 Compliance Policy Tester Report results for NCDOT.gov (See Accessibility Compliance Test Results section).
4. Accessibility	The new website pages shall be developed in compliance with accessibility checks flagged as severity level ‘information,’ for paragraphs c, d, and g, in the Section 508 Compliance Policy Tester Report results for NCDOT.gov (See Accessibility Compliance Test Results section).

2.4 Accessibility Metrics

The NWRR Project will establish and maintain the metrics to monitor usability improvements, project progress and to support data driven decisions for site changes and enhancements. Below is an excerpt of the Technical/Consistency section of the Metrics Plan. Included in this section of the plan is the accessibility metric.

TECHNICAL / CONSISTENCY		
Execution	Reduce Errors	Broken Links 404 Errors
	Accessibility	508 Compliance
	Metadata	Title Tags, Keywords, Descriptions (Missing, Duplicate, Too Long, Too Short, Non-Informative)

APPENDIX 14

Curb Cuts / Ramp Memoranda

STATE OF NORTH CAROLINA
DEPARTMENT OF TRANSPORTATION

PAT MCCRORY
GOVERNOR

ANTHONY J. TATA
SECRETARY

September 3, 2013

MEMORANDUM

TO: Division Engineers

FROM: T. R. Gibson, PE
Chief Engineer

SUBJECT: ADA Curb Ramps for Resurfacing and Other Division Design Projects

The United States Department of Justice (USDOJ) and the Federal Highway Administration (FHWA) recently published the attached Briefing Memo regarding curb ramp additions or retrofits that are required for resurfacing type projects. Based on this joint ruling from USDOJ and FHWA, the following types of work require installation of new curb ramps and/or retrofit of existing, nonstandard curb ramps where applicable:

- Traditional resurfacing with plant mix asphalt (including mill and fill)
- Thin lift overlays to include OGAF, Ultra-thin, SA-1, S4.75A, and Microsurfacing
- Hot in-place recycling
- Cape Seals (but not chip seals, slurry seals, or fog seals)

The addition of curb ramps is required when the curb section is connected to a pedestrian walkway with a prepared surface for pedestrian use. Existing curb ramps constructed in accordance with the 1991 standard or later are not required to be retrofitted as a part of these projects. New or retrofit curb ramp construction should follow details of standards 848.05 and 848.06 in the 2012 Roadway Standard Drawings. If site conditions make these standards difficult to follow refer to the link below for alternate curb ramp designs. This link also includes 1991-2011 curb ramp designs for use as a reference to determine the need for retrofits.

<https://connect.ncdot.gov/resources/Specifications/Pages/2012-Roadway-Drawings.aspx>

These requirements apply to all resurfacing type projects, rehabilitation, reconstruction, new construction, and Division Design projects. In addition, encroachments, driveway permits, and locally administered projects should adhere to these requirements.

BRIEFING MEMO

SUBJECT: Department of Justice/Department of Transportation Joint Technical Assistance on Title II of the Americans with Disabilities Act Requirements to Provide Curb Ramps when Streets, Roads, or Highways are Altered through Resurfacing

ISSUE: Throughout the nation, there are different interpretations and inconsistencies in enforcement of when curb ramps are required.

BACKGROUND: The Americans with Disabilities Act of 1990 (ADA) is a civil rights statute prohibiting discrimination against persons with disabilities in all aspects of life, including transportation, based on regulations promulgated by the United States Department of Justice (DOJ). DOJ's regulations require accessible planning, design, and construction to integrate people with disabilities into mainstream society. Further, these laws require that public entities responsible for operating and maintaining the public rights-of-way do not discriminate in their programs and activities against persons with disabilities. FHWA's ADA program implements the DOJ regulations through delegated authority to ensure that pedestrians with disabilities have the opportunity to use the transportation system's pedestrian facilities in an accessible and safe manner.

FHWA and DOJ met in March 2012 and March 2013 to clarify guidance on the ADA's requirements for constructing curb ramps on resurfacing projects. Projects deemed to be alterations must include curb ramps within the scope of the project.

SUMMARY OF GUIDANCE CLARIFICATION: This clarification provides a single Federal policy that identifies specific asphalt and concrete-pavement repair treatments that are considered to be alterations—requiring installation of curb ramps within the scope of the project—and those that are considered to be maintenance, which do not require curb ramps at the time of the improvement.

This approach clearly identifies the types of structural treatments that both DOJ and FHWA agree require curb ramps (when there is a pedestrian walkway with a prepared surface for pedestrian use and a curb, elevation, or other barrier between the street and the walkway) and furthers the goal of the ADA to provide increased accessibility to the public right-of-way for persons with disabilities. This single Federal policy will provide for increased consistency and improved enforcement.

MOVING FORWARD:

Divisions are expected to initiate discussions with their Partnering Agency / State to:

- 1) Disseminate this clarification with regard to when curb ramps are required
 - a. States are expected to inform/assist local agencies
- 2) Establish a plan to implement this single Federal policy as soon as practical
 - a. FHWA Headquarters is not providing a set deadline for all projects to comply with this policy.
 - b. Projects that are ready for Construction Advertisement or are under contract may proceed.
 - c. The Division should evaluate the projects in the state pavement preservation/resurfacing program and agree on projects to comply with this policy.
 - d. The Division should work with its Partnering Agencies / States to evaluate and modify, if necessary, their existing resurfacing ADA policies to comply with this policy.

October 20, 2011

MEMORANDUM

TO: Jay Bennett, P.E., State Roadway Design Engineer

FROM: Kevin Lacy, P.E., State Traffic Engineer

SUBJECT: Alternate Curb Ramp Designs

The Contract Standards and Development Unit recently revised the curb ramp design located in the 2006 Roadway Standard Drawings to comply with the latest ADA guidelines. Based on the April 1, 2011 memo "NCDOT Standard Drawings for Curb Ramps and Handicap Access," the new design became effective beginning with the August 16, 2011 letting and placed in all projects with curb and gutter.

In response to these changes, a meeting was held on May 12, 2011 by Chris Howard and Dale Stokes (Signing and Delineation), Roger Thomas (Roadway Design), and Joel Howerton and Cynthia Terrell (Contracts Standards and Development) to discuss the proposed changes, offer alternate curb ramp designs for applications where the current design may not be applicable and how to implement this process during the preliminary design phase. The meeting resulted in the following items being proposed:

- 1) The Contract Standards and Development Unit will have available on their website (http://www.ncdot.org/doh/preconstruct/ps/std_draw/default.html) a special detail with multiple curb ramp designs for situations the standard curb ramp is not applicable. Each of these curb ramp designs will be labeled by a *Type (#)* designation. The standard design located in the Roadway Standard Drawings will be the standard choice during design when curb ramps are required.
- 2) Curb ramps and their locations will continue to be shown in the pavement marking plans. The Signing and Delineation Unit will coordinate with the Divisions and Roadway Design Unit to determine if standard curb ramps can be used.
- 3) If it is determined the standard curb ramps shown in the Roadway Standard Drawings are not applicable, the Signing and Delineation Unit will be responsible to notify the Contract Standards and Development Unit and the Roadway Design Unit with the proposed alternate *Type(s)*.
- 4) The Contract Standards and Development Unit and the Roadway Design Unit will be responsible to include the alternate design detail with that project's final roadway design package. Additionally, the Roadway Design Unit will add a note to the final roadway design plan sheet for the contractor to refer to the final pavement marking plan for the curb ramp *Type(s)*.

Jay Bennet, P.E.
October 20, 2011
Page 2 of 2

- 5) Division purchase orders or resurfacing projects that require construction of curb ramps or curb ramp retrofits should be coordinated with the Contract Standards and Development Unit when an alternative curb ramp design is needed.

I propose these changes take effect in coordination with the changes described in the April 1, 2011 memo mentioned above. Attached you will find the "NCDOT Standard Drawings for Curb Ramps and Handicap Access" memo, the revised curb ramp drawing for the Roadway Standard Drawings and the special detail of multiple curb ramp designs that will be listed on the Contract Standards and Development Unit's website.

In addition to the procedural operations mentioned, the Signing and Delineation Unit will not require curb ramps for any facility that does not include sidewalks as described in the ADA guidelines. However, during the preliminary engineering design, if an entity expresses a firm comment to provide sidewalks in the near future of completing a project, curb ramps can be shown on the pavement marking plans provided by the Signing and Delineation Unit.

Please contact me if you need more information or would like to discuss further.

MEMORANDUM TO: Division Engineers

FROM: J. D. Goins, P.E. *J. D. Goins*
Chief Engineer-Operations

SUBJECT: Wheelchair Ramp Curb Cuts on NCDOT Projects

When the Americans with Disabilities Act (ADA) legislation was enacted in 1990, a commitment was made by the Department of Transportation to comply with the ADA regulations by installing wheelchair ramp curb cuts on all projects including resurfacing projects.

When the Department began installing these ramps, the use of truncated domes on the ramps to aid people with visual disabilities was required. The use of the truncated domes was later suspended after receiving complaints concerning the maneuverability of wheelchairs over the domes. Recently the requirement to use truncated domes on wheelchair ramps was reinstated.

As a result of these changes, the Department is required to install wheelchair ramps with truncated domes or to retrofit existing ramps. Effective immediately, please include the necessary details and provisions in your projects. For projects that have already been forwarded to Raleigh for letting, the Design Services Contract Office will include the necessary details and provisions prior to advertisement. This requirement pertains to all new construction and resurfacing projects that contain both proposed and/or existing curb and gutter.

To accomplish this the following special provisions have been developed to address the three cases:

1. For New Construction: Use *Project Special Provision entitled "Concrete Sidewalks, Driveways and Wheelchairs Ramps"*
2. For Resurfacing Projects: Use *Project Special Provision entitled "Wheelchair Ramps For Resurfacing Projects"*
3. *Retrofitting: Use *Project Special Provision entitled "Retrofitting Wheelchair Ramps With Detectable Warnings (Raised Truncated Domes)"*

* In both cases one and two it may be necessary to also include the Retrofitting Provision when existing wheelchair ramps are within the project limits.

RALEIGH NC

The following sets of details have been developed to be used in lieu of Standard Drawing 848.05. Each set contains a sheet pertaining to retrofitting existing wheelchair ramps with detectable warning domes.

- 1 New Construction: Use Detail Drawing 848D05 sheets 1,2,3, and 4 of 4.
2. Resurfacing: Use Detail Drawing 848D06 sheets 1,2,3,4, and 5 of 5.

Copies of these Provisions and Details are attached and are available on the Design Services website http://www.doh.dot.state.nc.us/preconstruct/highway/dsn_srvc/contracts.

If you have any questions or comments, please contact Cynthia Perry, P.E. or Ed Lorbacher at (919) 250-4128.

MEMORANDUM TO: Division Engineers
FROM: J. D. Goins, P.E.
Chief Engineer - Operations
SUBJECT: Curb Cuts on Resurfacing Projects

I am requesting that you monitor and verify that any resurfacing being performed on state maintained roads by others, such as cities, towns, or developers, includes the installation of wheelchair ramps and sidewalk curb cuts. The locations of these curb cuts is where there is existing curb and gutter and sidewalk.

Your assistance in this matter will be greatly appreciated.

MEMORANDUM TO: Division Engineers
(Divisions 3, 5, 6, 7, 9, 10, and 13)

FROM: J. D. Goins, P.E.
Chief Engineer - Operations

SUBJECT: Curb Cuts on Resurfacing Projects

For the past two years, we have been working with the Governor's Advocacy Council for Persons with Disabilities (GACPD) regarding the need for curb cuts and wheelchair ramps on resurfacing projects in compliance with the American Disabilities Act (ADA). On October 27, 1995, you were requested to begin including curb cuts and wheelchair ramps in all resurfacing contracts where there is existing curb and gutter and sidewalk. However, we have not addressed those resurfacing projects completed since January 26, 1992, which was the effective date of ADA.

You were recently asked to identify locations that may qualify for curb cuts as a result of resurfacing contracts since 1991-92. In the state's eight largest cities (Asheville, Charlotte, Durham, Fayetteville, Greensboro, Raleigh, Wilmington, and Winston-Salem), you identified 476 locations that need curb cuts and wheelchair ramps.

This is to request that you develop a three-year program to add curb cuts at these 476 locations. You should begin implementation of this program in the fall either as part of the regular resurfacing contracts or as purchase order contracts. In addition, you should respond to any special requests for installation of a curb cut and handicap ramp on any of our system routes.

If I can provide additional information, please advise.

MEMORANDUM TO: Division Engineer's

FROM: J. D. Goins, P.E.
Chief Engineer - Operations 

SUBJECT: Curb Cuts for Wheel Chair Ramps in Resurfacing Projects

This is to summarize and reaffirm the instructions you received from State Highway Administrator Dr. Larry Goode concerning the above subject.

Beginning with the 1995 - 96 FY allocations you should make allowances for installation of wheel chair ramps according to standard # 848.05 of the Roadway Standard Drawings in all resurfacing contracts.

This requirement should be met where there is an existing curb and gutter and sidewalk located within the project limits.

If this office can be of any additional assistance, please advise.
